

BRING PICKLEBALL POSITIVE TO YOUR SCHOOL EMPOWER STUDENTS WITH CONFIDENCE, CONNECTION & CHARACTER—ALL THROUGH THE GAME OF PICKLEBALL

WHO WE ARE

Inspiring Diversity (a DOE vendor) is bringing its impactful Pickleball Positive curriculum to schools. We deliver inclusive, energizing programs that promote physical activity, social-emotional learning, and character development. Using the fast-growing sport of pickleball, we create joyful, skill-building experiences.

PROGRAM STRUCTURE

Minimum 4-6 week program recommended.
One session per week (approx. 60-90 minutes) includes:

- Professional coaching
- Character-building games and activities
- Pickleball equipment needed for program

EDUCATOR TESTIMONIAL

"I'm so glad that this program was brought to our school. Everyone can be successful — you don't have to be the top athlete. Pickleball keeps our kids moving, and that's what we need. And we just want to thank the program and embrace it for years to come."

— Barbara Palmer, PE Teacher, MS 302
